

QUALITY POLICY

POLICY STATEMENT

The aim of our Company is to provide high quality Horizontal Directional Drilling and Civil operations to the construction and mining industries.

It is the policy of Maxibor Australia Pty Ltd to operate in a manner that consistently meets or exceeds the quality standards set by our stakeholders. To achieve this, we are committed to continuous improvement of our operations and services provided by our company.

The scope of our system is to provide processes to ensure that our quality objectives are achieved and to enable continual improvement in not only our system but our methods of operation.

AIMS AND OBJECTIVES

Our objectives are to:

- Identify the changing needs and expectations of our customers.
- Develop and maintain processes and procedures that ensure that these changes are accommodated.
- Achieve efficiency in our operations, attention to detail, and responsiveness to customer priorities.
- Provide quality products and services on time, and at the lowest cost, and
- Provide an employment environment where continuous improvement is encouraged.

RESPONSIBILITIES

Maxibor Australia Pty Ltd, as a company will:

- Train all employees and contractors to identify areas where improvement can be achieved.
- Remove wasted and non-value added steps and time in our processes where feasible.
- Strive to ensure that customer and stakeholder satisfaction is achieved at all times, and in all things, and
- Support the adoption of appropriate quality systems and management principles in order that all stakeholders benefit from this commitment to quality.

Employees are expected to:

- Assist and cooperate in ensuring that this policy is followed, and
- Actively participate in the adherence of this company to the achievement of the goals and objectives of this policy.
